"One In A Million"

Homecoming 1980

Many activities and good student participation made the 1980 Homecoming *"One In A Million"*. Homecoming began with the coronation of Queen Julie Semling and King Bruce Nienow.

The week was filled with many activities beginning on Monday with Dude Day when students wore crazy hats and sunglasses. Students were seen wearing various uniforms on Tuesday, some more odd than others. Matt O'Reily won the cake eating contest held by the student council and another exciting day ended with a skating party at Skate Capital. Many heads turned on Wednesday when students attracted attention by wearing stripes, plaids, and polkadots, and other unmatched clothes for Mix and Match Day, and the student council held a rent-a-kid auction. On Thursday students dressed in the style of their favorite type of music. In a colorful display of school spirit, students and faculty wore orange and black to class on Friday. The Variety Show, with MC's Todd Tarras and Tom Weiczorek, pepped people up for the football game, but spirit just wasn't enough for the Winhawks as they lost to Mankato West with a score of 7-6. However, the results of the game didn't change the atmosphere for Saturday night as students danced to music by Speed Limit.

WHS Presents "Story Theatre"

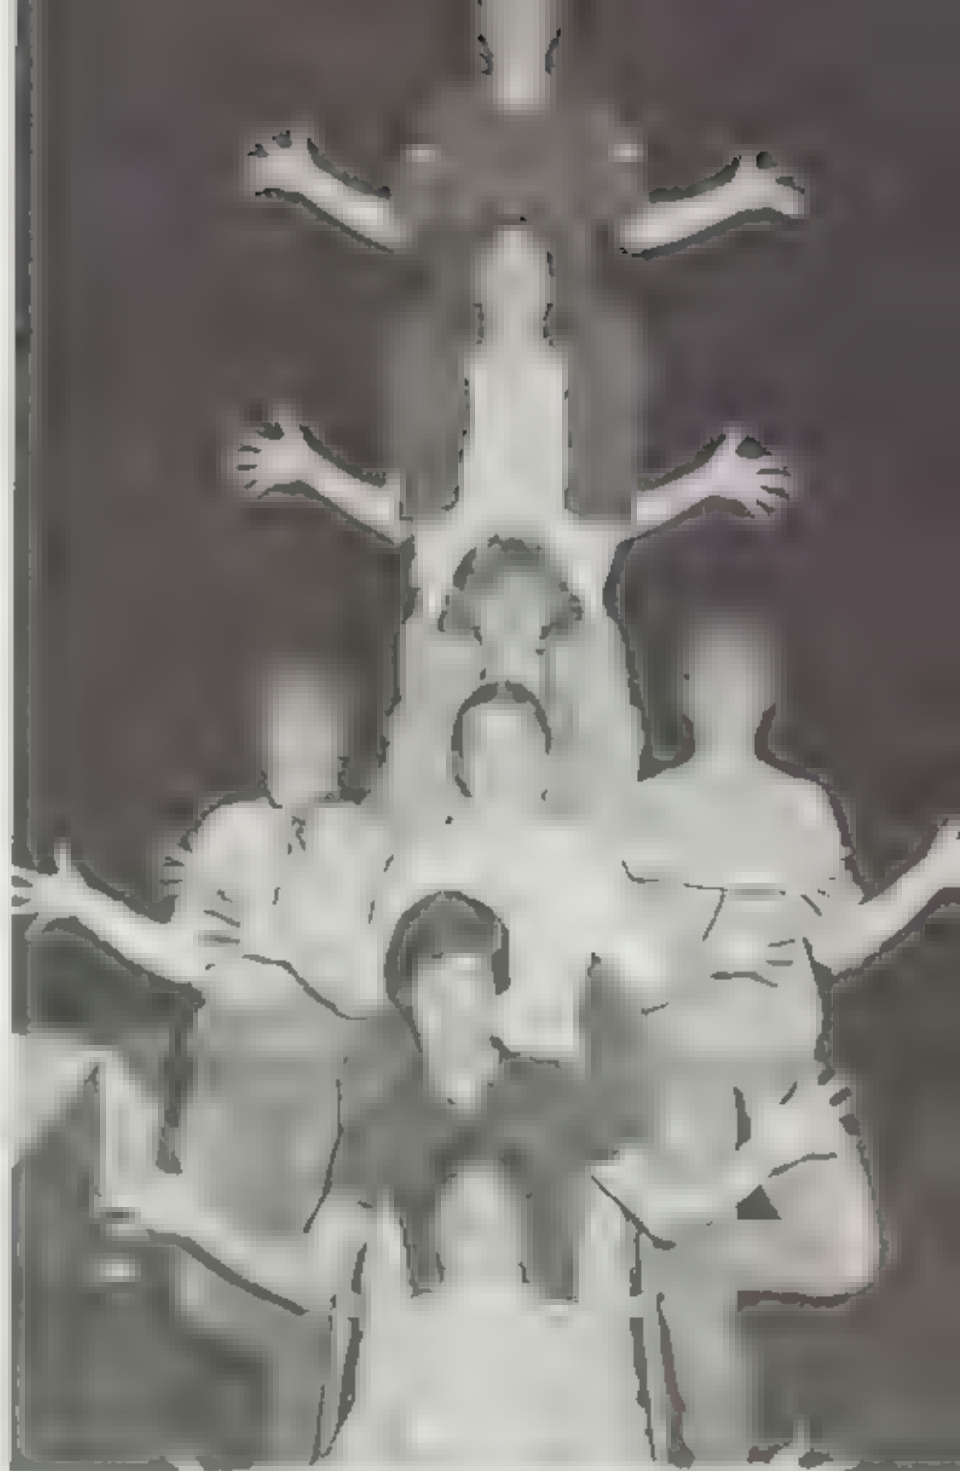

The fall play this year was a little different from previous plays put on at the Winona High School.

In his first year at Winona High School, Mr. Gary Sassenberg along with the aid of Sue Haak, assistant director, aided the cast in recreating the colorful variety of excellent acts in the play "Story Theatre" to reach the interest of both the young and old.

Some acts in "Story Theatre" included: "The Little Peasant," "Master Thief," "The Robber Bridegroom," "Henny Penny," "The Golden Goose," and many others.

Weight Room Expands, Increases Interest And Usage

During the past years, Winona High's weight room has been expanded to approximately twice its original size. This increase in size has been a major reason for the increased interest and usage of this facility. The other major reason stems from the success of previous Winona High athletes who were regular users of the weight room. Kevin Henderson is the ultimate example, as daily workouts were an integral part of his conquest of State Championships in the shot put and the discus last year at the Minnesota State Track and Field Meet.

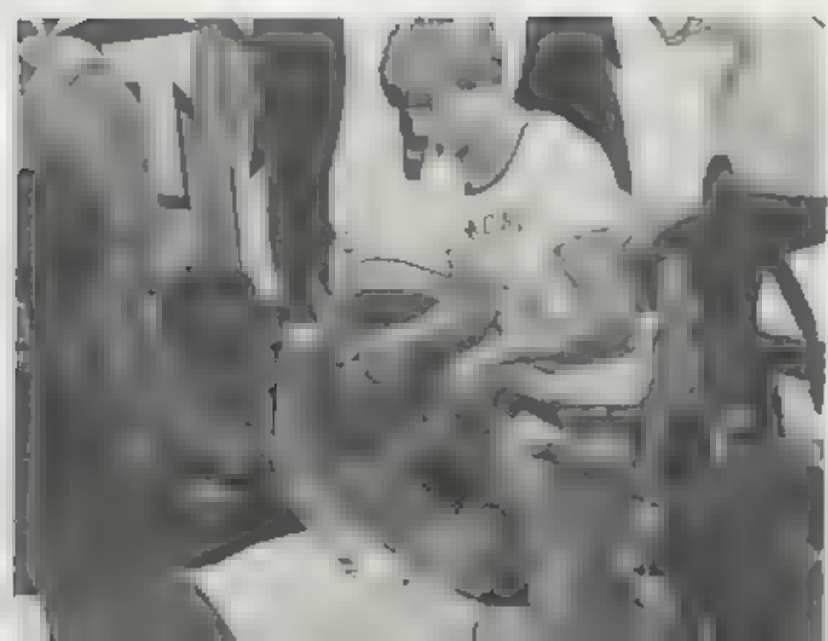

Almost all Winona High coaches now take their teams into the weight room for regular workouts during their respective seasons. However, the weight room is open at regular intervals year round, so athletes can stay in shape during their off seasons. There was a wide variety of athletes who took advantage of this opportunity to lift during the entire year, as runners, swimmers, wrestlers, and football players were all represented the past summer.

In The Long Run: Girls CC

The Winona Senior High Girls Cross Country finished their season with eight wins and two losses.

Under the leadership of Mrs. Lynne Gronert, along with the return of three, four year letter winners, Joel' Jasnoch, Sandy Heilman, and Kelly Morken, the Girls Cross Country team managed to be rated in the Coaches Association Top Ten most of the year. This year the Girls Cross Country team was the largest Winona has ever had, including seven seniors. At the closing of the sixth season of Cross Country, the girls found themselves tied with Owatonna and Mankato for second in Big Nine, which was their highest conference finish ever. The girls pulled out a 4th place in the Region 1AA meet, and for the first time, they won the LaCrosse Invitational Championship Trophy. "We had a super season," said Coach Gronert. "The girls were really motivated, they knew what they had to do to win."

Half past six in the morning,
Moon's fading fast, sun's brightly
shining
CC girls are running so far,
Only Coach Gronert knows where we
are.
Stopwatch starting a pacer,
Lonely runners know how to make it.
Running quarters on the track,
When Riggy Bear came, we fought
back.
To achieve a goal
-well worth the toll
To gain intestinal fortitude,
That is something we're determined to
do.
We didn't quite make it to state.
Still everyone tried and we did just
great.
Cross country is over, but not for long-
We'll be back next year, running
strong.

Stepping Out

Coach Flim's Cross Country team had some outstanding members on it. Dave Hanson was Winona's first place finisher in all ten of the seasons meets. Dave has the second fastest five thousand meter run ever turned in by a Winona Cross Country runner. He ranked the number three runner in the Big Nine Conference. Because of Dave's outstanding efforts, he was named the Most Valuable Runner. Tim Neyers was named the Most Improved Runner. The Sophomore Award was given to John Conway. Freshman Tim Kohner received the Rookie of the Year Award.

Hawks Start Fast, Fall Victim To Fate

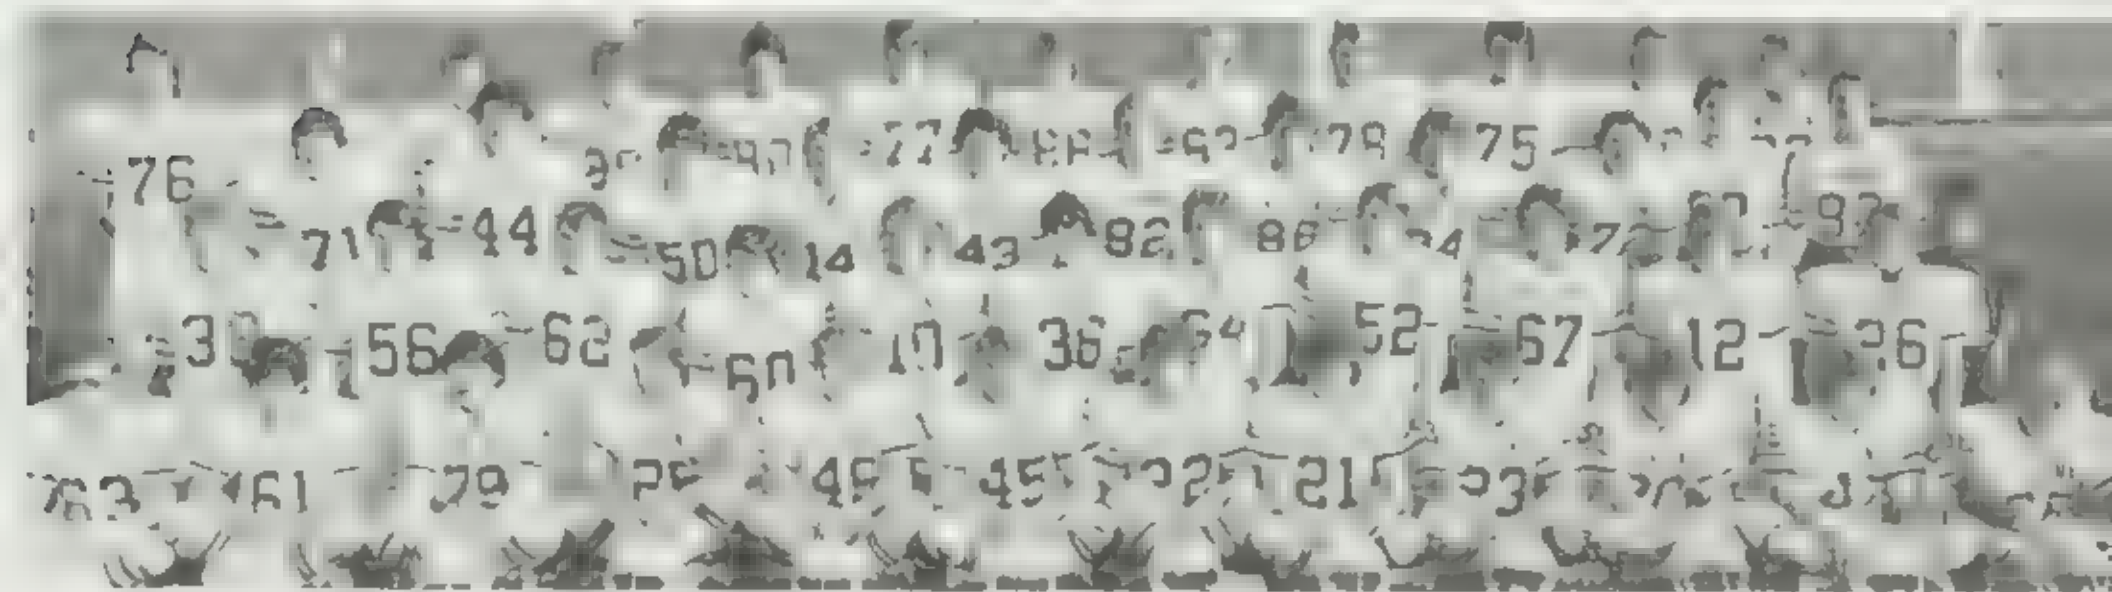

The 80'-81' gridiron campaign had a very bright outlook in the beginning of the season. The Winhawks got off to their best start during Bob Urness' four years as head coach of the Hawks, by winning their first two games. After four games, the team had posted a 3-1 record and looked as if they were on their way to one of their finest seasons.

However, the Hawks became victims of fate after a hard fought loss to Austin by a 7-6 score. Excessive penalties and key injuries were a major reason for the six following losses to round out what became a disappointing season. If the Hawks could have scored two more points in two of those last six games, they would have managed a winning season.

Three individuals added excitement by their outstanding performances during the season. Brant Pallazza finished only 40 yards short of the 1000 yard mark for rushing. Jim Richter was the leading receiver with 14 pass receptions. Eric Wisted led the team in scoring at 78 points.

The Hawks also led the Big Nine in team rushing.

BELOW: LEFT: Brant Pallazza (22) "Slip Slidin' and Away" for another big gain. Girls Tennis

Hit Me With Your Best Shot

The Girl's Tennis Team had a fairly even record. Statistically they accomplished eight wins and six losses. Coach Cathy Solem was pleased with the girl's performance. She stated, "This had to be the year for three setters." Many of the girls matches were three setters that ended up to be either wins or losses. This means that the girls had to really show great effort and work to succeed in winning. Coach Solem's team finished fifth in Big Nine.

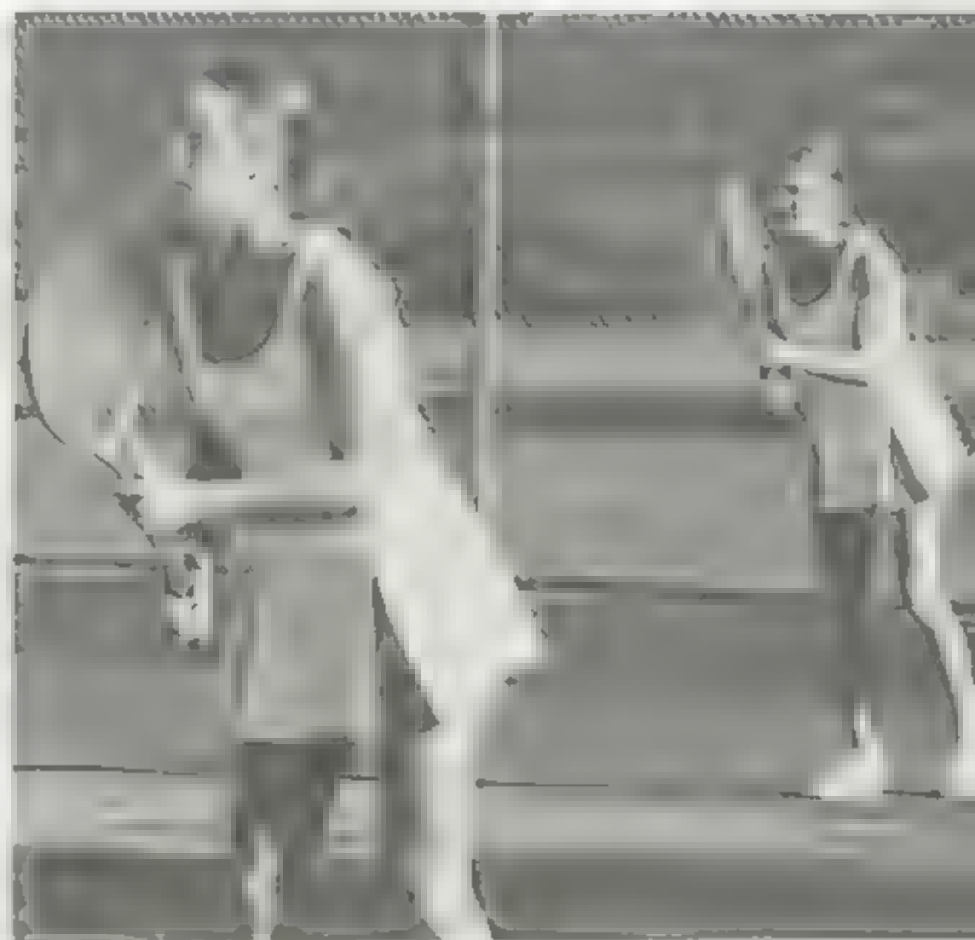

Margaret Sobiesk achieved a specific goal. She was the Big Nine champ in the number one singles spot. She also qualified to participate in the state tournament. In spite of the tough competition she placed third.

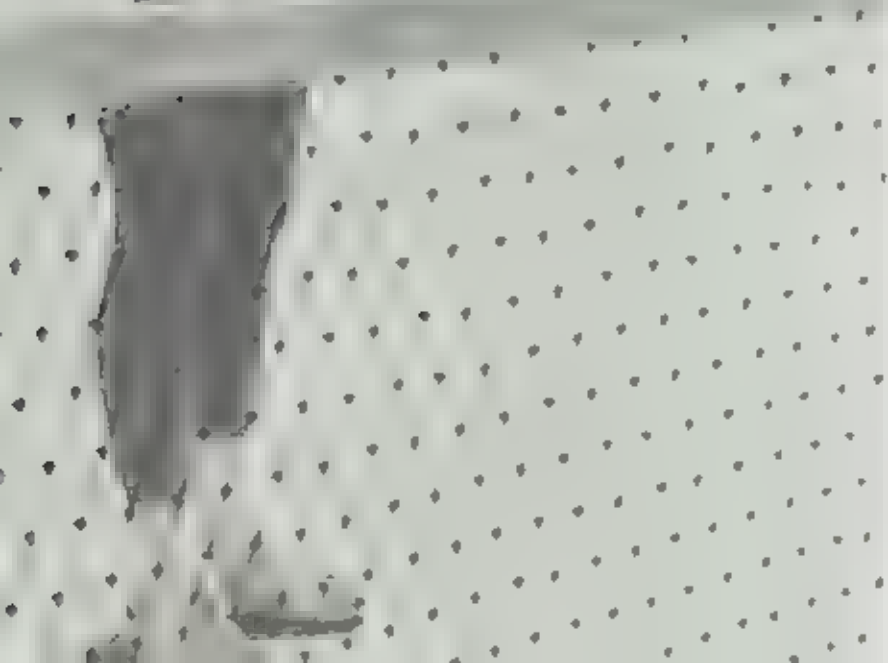

The season's biggest highlight was the victory over the tough Mankato West team during the dual season. Also, the team was very happy when they took first in their division at the Lourdes Tournament scoring all the possible points.

The girl's swim team, led by Coach Lambert, Hedrick, and Picha, dove into action and came up with a winning record of 8-3 in the dual meets. In the region competition, the girls captured third place and their conference standing was 6-3. The biggest event of the season was defeating Owatonna 89-83, for the first time in four years.

Showing real spirit for the Winhawks, Kelly Huff set a new school diving record of 221 points. Kelly also went on to take twelfth in state competition.

Sock It To Them: Volleyball

Despite the fact that the Girls Volleyball team was able to defeat Mankato East, last year's Conference Champions, the season was relatively disappointing.

Under the leadership of Coaches Deb Millie and Debbie Brennen, the team showed hard work and determination. With a discouraging season total of five wins, thirteen losses, and one tie, the girls finished 7th in the Big Nine Conference.

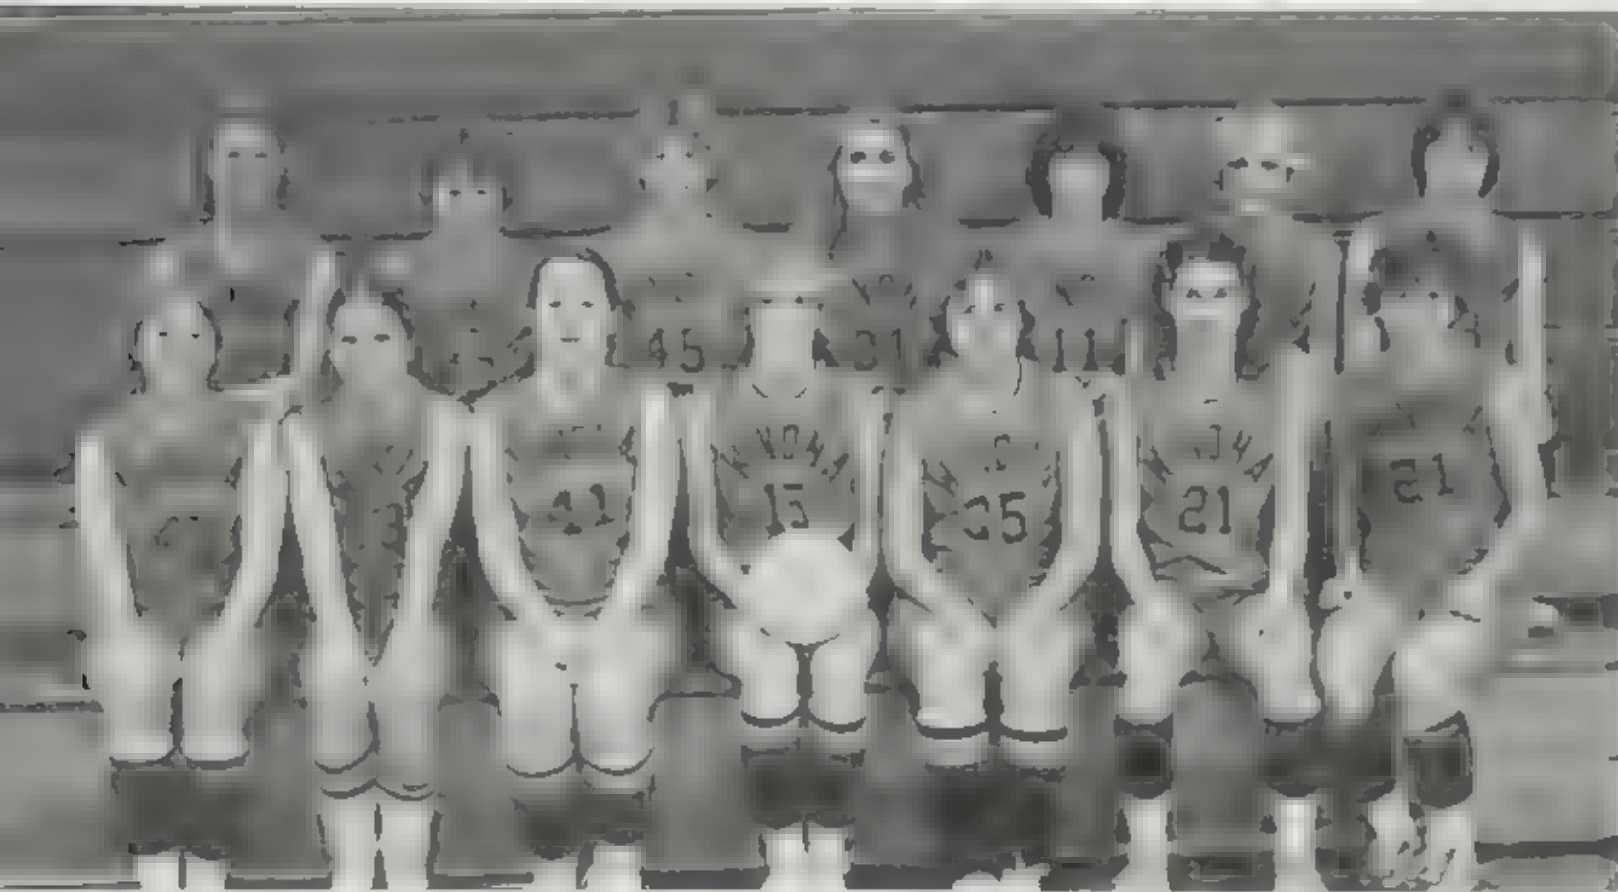

The Junior Varsity team finished the season with one win and six losses.

The Boys volleyball team finished the season with eleven wins and six losses.

The Dream Never Dies

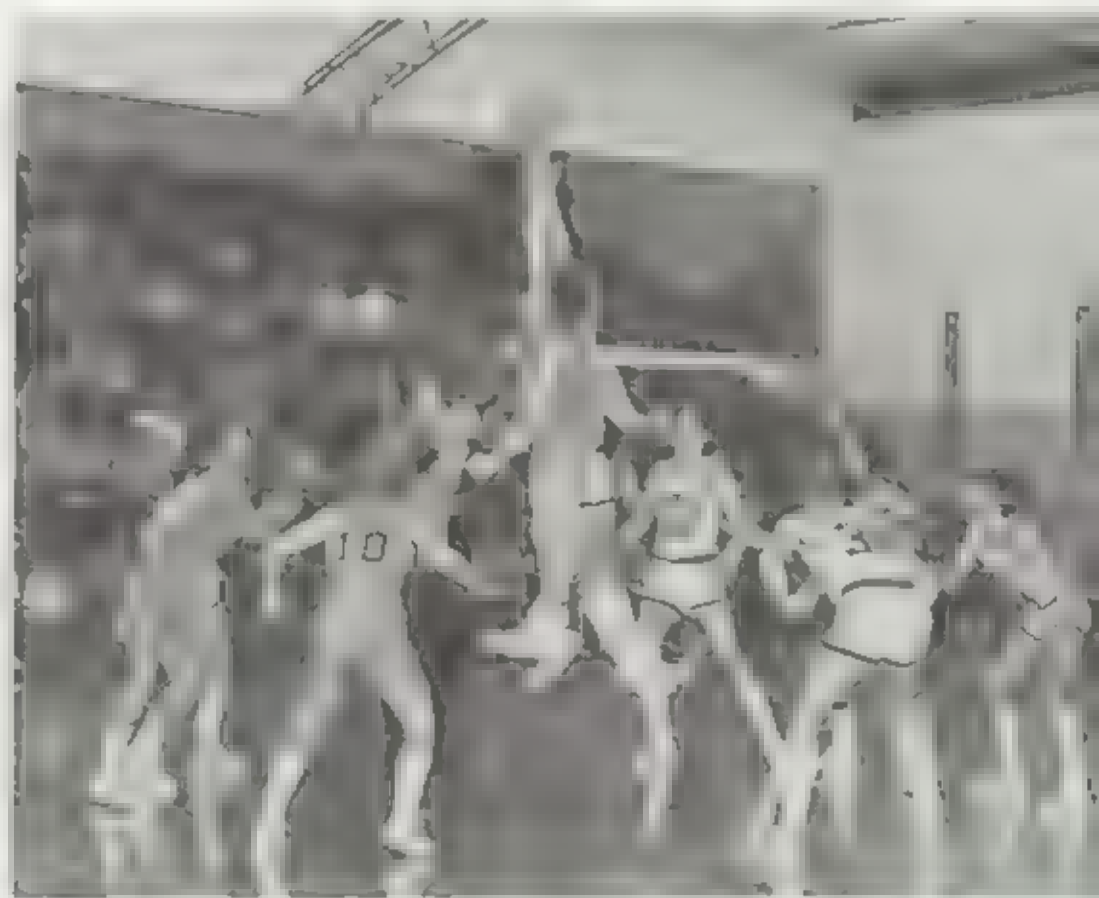

The 1980-81 basketball team had an overall record of 5 wins, 14 losses. Although frustrated by many narrow defeats, the team played hard and worked well together as a team. Their first season was also frustrating as the Winnham team played excellently for the first three quarters against strong and heavily favored Northwood team only to lose the last quarter by a score of 63-56.

The leading scorers for the Winnhams were Steve Renk, junior center, 11.4 points per game, and Greg Evans, senior guard, 11.04 points per game. Senior guard Tim Buswell established two school records during the season, assists in one game and assists for a season. The B-Squad had a record of 9-9.

The future looks bright for the Winnhams as lettermen will be returning for next season.

Upside Down: Gymnastics

Girls gymnastics, coached by Joan Noonan and assisted by Kerryl Greenwood, had a good 6-2 season record and placed sixth at the Rosemount Invitational and fourth in the Big Nine Conference. The girls also placed tenth in Region 1 and broke their old scoring record by five points. This was another season for compiling new records.

Although a majority of girls were freshmen, Winona had solid varsity and B-squad teams. There were three returning seniors; Heidi Hanson and co-captains Wendy White and Lori Howard, who were very helpful to the girls.

Sophomore Patti Scherdm was the highest place finisher for Winona at the Regional Meet by placing sixth on the balance beam. Patti was also the highest scorer for Winona this season.

The Tide Is High

The tide was high for Winona's swim team this year. Finishing with a 9 - 2 record, the swimmers improved on last year's 4 - 5 record with an outstanding nucleus of seniors and many talented underclassmen. The leadership was provided by co-captains Marcus Gernes, Dave Kough, Kelley Murphy, and Steve Scherdin. Generally, the season was made up of steady improvements. The 101 - 71 victory over John Marshall proved to be the most rewarding meet for Winona. This was revenge for an earlier 92 - 80 loss to the Rochester team.

At the end of the season the swimmers took fifth in Big Nine and seventh in Sectionals. Named to All Big Nine Team were Steve Brown, Dave Kough, Kelley Murphy, and Marcus Gernes. Winona was also proud to send Marcus to the State competition where he finished tenth in the 100 yard butterfly.

Touch And Go

"All that is gold does not glitter" describes the Mathawks and their season completely. Finishing with a respectable 7-5-1 record, the Winona grappling team started out slow, but picked up steam as the season progressed. The team lost some close dual meets due to illness, injury, and inexperience in a few of the lower weights, but made an excellent showing in tournament action. Winona took second in both Shakapee and Winona invitationals and first in the Stewartville invitational. Yet, true gold cannot be realized by looking at the record. Instead, one must look at the individuals who made up the team. Co-captains Jim Fox and Cletus Gernes exhibited great leadership. In Regional competition, Doug and Dale Schmidtknecht finished third and Jim Fox, Mike Lisowski, and Mike Wantock took fourth. Cletus Gernes was elected by his fellow teammates as Most Valuable Wrestler. The Most Improved Wrestler was Dale Schmidtknecht, and because it was his first year in the varsity program, Paul Isaacson was awarded Rookie of the Year. Al Prosser was the B-Squad Hustler, and the Inspirational Wrestler Award went to Danny Schmidtknecht for his tying pin at Mankato West, one of many fine performances. An Outstanding Wrestler was not chosen due to the fact that there were so many wrestlers who could have been chosen.

Take It On The Run

Girls Basketball

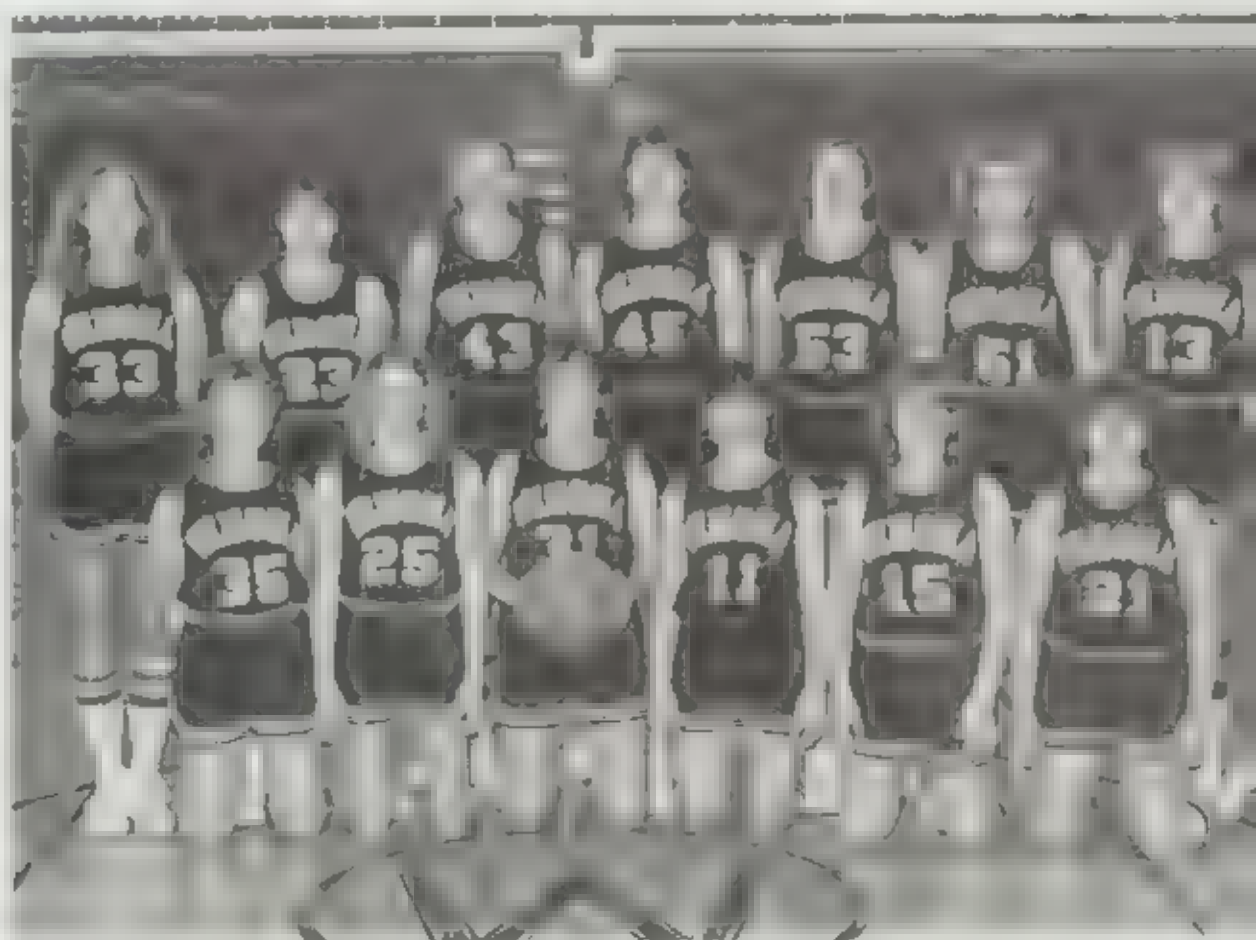

Girls basketball, coached by Dave Heise, broke a 15 game losing streak, from last year, with a 57-34 victory over Mankato East. Senior captain Karen Hengel's 28 points in that game gave her a new game scoring record.

After that losing streak the girls were able to amass a 7-11 record for the season and lost to Simley in the first tournament game, 54-42.

Karen Hengel was named All Big Nine for the second consecutive year and Mary Schultz was Honorable Mention.

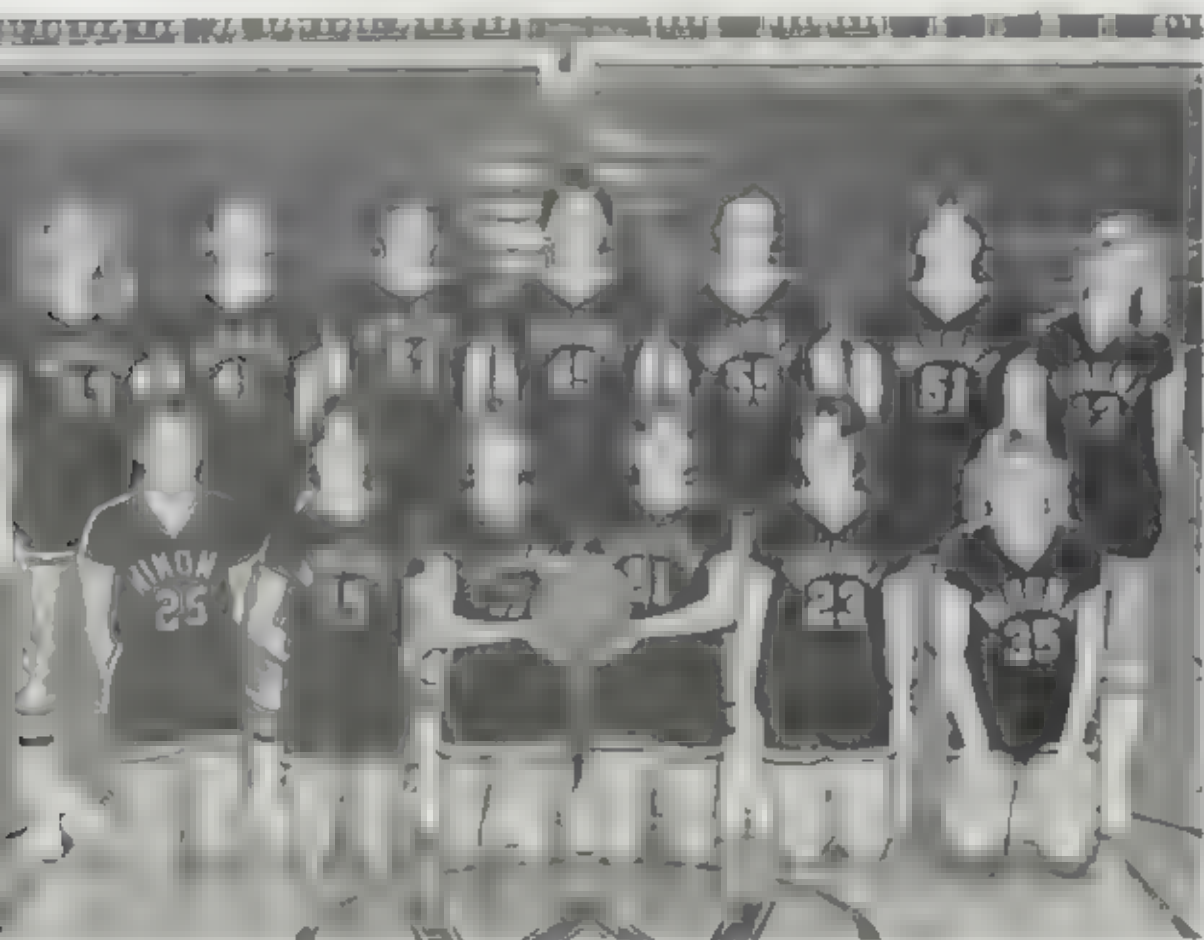

Coach Heise said, "I felt the girls learned not only to be competitive, but more importantly, to want to win. Because of this and the ability of our team, by the last part of the season, we were capable of beating any team we played."

The B-squad, coached by L-louise Hedrick, also had a fair season with a 6-12 record.

All American Girls Girls' Softball

Although the Girls Softball Team, coached by Deb Millie, won their second game in the double elimination Sub Regions, they failed to go on to Regions. However, the biggest highlight of the year was to score four runs against Austin, the best team in the state.

Although they had a disappointing season of 1-15, one girl, Julie Semling, was named Honorable Mention in the Big Nine conference, and Karen Johnson made the 300 club for the most hits of the season.

DRIVIN' MY LIFE AWAY

The 1981 Golf Team had its best outing of the season against Albert Lea when the team scored its season low total of 306 points, to make the season record four wins and seven losses. In the Big Nine, the Hawks were able to take fifth place while individually Dave Kough finished third with a score of 76. The Winona Team was second in the Subregion Meet, and Brian Evenson was able to advance to Regionals by placing second with a score of 75, but he was unable to qualify for the State Tournament. However, Evenson received Honorable Mention on the All-Big Nine Team.

Coach Johnson was pleased with "the continued improvement of both the veteran and younger players."

Don't Throw It Away

A season of close games summarized the 1981 Baseball Season for the Winhawks.

Highlights for the 1981 Season included a string of twenty scoreless innings that Mike Pozanc pitched against a strong Rochester Mayo Team. Dave Repinski, a sophomore, showed that he could hit Big Nine pitching when he was able to hit a .560 average in just a half of season on the Hawk Varsity. Craig Johnson led the team in hitting for the entire season, Gary Hoepfner was the outstanding defensive player, and Mike Pozanc, the pitching leader. Mike Pozanc led the team in six different categories and was selected The Most Valuable Player for the 1981 Hawks.

The Hawks placed two players on the All-Big Nine Team. They were shortstop, Jerry Koutsky and pitcher, Mike Pozanc. Gary Hoepfner was named Honorable Mention.

Girls' Golf: *It's My Turn*

It was their turn when Coach Miller's Girls Golf Team went on to State where they, Patty Barker, Barb Ward, Michelle Koplin, and Suzanne Brewer, took fifth place with a 761 stroke total, and Barb Ward took tenth place in the individual competition. She also was Meet Medalist six times in the regular season, and her score of 38 against La Crescent set a new team low gross record.

Even though the Hawks lost only one meet in the regular dual season, they placed third in the Big Nine Tournament. However, Winona was the only school in the Big Nine to place three girls on the All-Conference team, seniors Patty Barker and Barb Ward and sophomore Michelle Koplin. All of the girls played well to take first at Region IAA and advance to state.

The Girls Golf Team in only their second year of existence have set a tough standard for future teams to follow.

BORN TO RUN

These three words are the calling card for Coach Flim's Track Teams. This was a very successful year for the Hawks as they sent two men to State and narrowly missed sending a relay team. The Hawks compiled an impressive 10 and 5 record and sent Rick Googins, Rick Bollin, Paul Adank, Trevor Rasmussen, the 400 Meter Relay Team of Bollin, Richter, Adank, and Scott, and the Mile Relay Team of Hoffe, Richter, Rasmussen, and Neyers to Regions. In the Region Meet, Googins placed first in the Discus and earned a trip to State along with Bollin who placed second in the 100 Meter Dash. The 400 Meter Relay Team failed to qualify for State by one tenth of a second or by a single foot.

In the State Meet, Bollin failed to qualify for the finals. However, his time would have beaten the second place time. Rick Googins placed fifth in the Discus with his personal best throw of 164 feet, 5 inches.

All in all it was a good year for Coach Flim and his "Gentlemen."

CRUISIN'

Although the Girl's Track Team may have lacked a little in numbers compared to last year, they still "cruised" through the season. Many outstanding performances were witnessed throughout the year by surprising underclassmen. Kristi Gunderson's middle distance events were her kingdom and Lisa Janakowski was simply awesome in the mile. In the field events Shelley Wiley stood out to win Sub-Regional discus competition. The major achievement, however, was the mile relay team of Amy Duran, Lisa Janikowski, Kristi Gunderson, and Frani Loftness. They placed fourth at the State Track Meet. Fortunately, they will all be returning next year, but senior co-captains Lori Howard, Sue Maroushek, and Kelly Morken will certainly be missed.

I Keep Coming Back Boys' Tennis

The boys tennis team, coached by Paul Richards, had an outstanding season with twelve wins and no losses. The biggest highlight for the team was the win over Mayo, who was ranked fourth in the state, in dual season.

The Winona team finished in fourth place in the big Nine Tournament and second in Sub Regions. In individual standings, the doubles team of Dave Kohner and Scott Struble finished second in Sub Regions and placed third in the Regions.

The team this year consisted of four seniors, one sophomore, and two freshman. Coach Richards commented, "It was an extraordinary year, with a good mixture of maturity and youth."

The Booster Club has done a terrific job at supporting all of the W.S.H.S. athletes this year. They were responsible for sponsoring the athletic banquet, providing refreshments for all athletic events, buying awards, and much more. They have done a great job helping the athletes and keeping things in the proper perspective.

The W-Club is open to all letter winners. They work together in a cooperative manner outside of their sport. They try to prove that athletes can do many other things and have many other interests besides sports. This year they were successful in selling sports knitwear, purchasing new weights, putting together a monthly newsletter, and sponsoring the Winter Sports Week. They are a very energetic club and do a great job working together.

STUDENT COUNCIL

Making Plans

This year the Student Council had many accomplishments. To make Homecoming successful they organized the hall decorations, float banding, sale of buttons, and arranged a dance, skating party, variety show, the coronation, along with many other Homecoming activities. Among the list of other accomplishments were putting a flag in the gym and adding a new trophy case, including a Student Council showcase, O.S.O.M. Dance for United Way, Hipnotist shows, and the Bloodmobile, Teachers Tea, Mohan Clothing Drive, Friendly Visiting Program-Adopt a Grandparent, and they sent members to the School Board meetings. They also tried something new this year which proved to be a great success, the Cookie Grams at Christmas and the Sham-O Grams for St. Patrick's Day. Also, Bryan Schafer attended the National Convention in Tulsa, Arizona.

WHIP IT

The Spanish students, after peddling popcorn and selling candy to everyone in school, got on their way to Mexico, April 31. The bus trip down was crazy with students being serenaded by the song "Whip It" all the way down.

The first stop was Saltillo Coahuila where the WHS adventurers learned that shopping in Mexico was nothing like shopping in America. The second stop, where they spent most of their time was Mexico City. Some of the places they saw were the bullfights, the Pyramids, the Floating Gardens, the Baile Folklorico Museum of Anthropology, famous cathedrals, open markets, and many others that will be held in their memories forever.

It was more than another place, it was another world

HOOKED ON MUSIC

WSHS Choir had a busy, but exciting year. They sang at Merchants National Bank and also at First Northwestern Bank for two Christmas concerts to the public. Also, they endured the cold one afternoon by singing on the Plaza Square for Christmas.

They had a spring Pops Concert where soloists and small groups were featured.

Early in the year they started on the money raiser for their trip: A Christmas Album. They had a taste of the professional life in recording this album. The money they raised took them to the Twin Cities where they sang and had a workshop at Northwestern College and went to the Chanhassen Theater to watch "On Golden Pond".

Big Nine this year was held at Austin where they sang and later in the evening joined the mass choir. Select Choir sang three numbers at the evening performance.

The highlight of the year for many members of the choir, including Mr. Nichols in his 25th year of teaching, was the production, "Godspell". It was a great experience for everyone involved.

Good Vibrations: WHS Band

Marching band members showed dedication by starting practice two weeks before school started. Besides the pre-game and half-time performances given at the games, the WSHS Winhawks practiced street marching in order to compete at the Applefest Parade in LaCrescent where the band took first place.

As marching band came to an end, concert band had just begun. The first concert was performed in December. The February Spotlight concert featured many soloists playing a wide variety of instruments.

The students learned from experience that Mr. Lockner demands excellence from every member, regardless of his ability. They surprise even selves when, after weeks of practicing, they can combine their perfected parts with other members and produce a splendid sounding band. This was exhibited when they were given a three star rating at the State-Regional Class IAA Music Contest.

Talking Heads

Speech, Debate, and One-Act

"Enthusiastic, Supportive, Hard working, and Dedicated" are only a few words coach Hirte used to describe the 1981 Speech Team. The team had endless successes throughout the year. Once again the Big Nine traveling First Place Trophy traveled back to Winona, to be placed with a first place one from St. Peter and two second place team trophies from Mankato State and Coon Rapids. At Subregions Winona students took seven first places and five seconds. Out of the thirteen finalists from the region, five, James Harrington, Rose Tenseth, Shari and Siobhan Fusillo, and Kathy Elton, went on to state. Shari placed sixth in prose, Rose, fourth in story telling, and James fourth in Drama.

Under the inspired direction of Mr. Opprieht the cast of the 1980 one act competition play, *Gammer Gurtons Needle*, received first place in the Sub-region. The 16th century farce centured around her lost needle. All six cast members found the play to be a prosperous undertaking

Exercising their speaking talents the debate team, skillfully coached by Mr. Pellowski, enjoyed a fascinating season. The hours of cutting and pasting proved successful when they had finally reached their peak of persuasion.

Financial problems that have been plaguing the United States economy for years finally became a reality for School District 861. This year's school board was faced with the extremely difficult task of trying to cut the school budget by hundreds of thousands of dollars without sacrificing the high level of education to which the district has become accustomed.

The most emotional issue of the budget cutting was the decision to close three elementary schools, Lincoln, Stockton, and Minnesota City.

Other areas of major savings came from terminating thirty-six teachers and dropping twenty-one classes at the secondary level. Most of those classes were taken from the Foreign Language, Industrial Arts, Music and Art Departments.

Along with the federal and state budget problems, Winona Schools also face the problem of declining enrollment. While the 1981 school board encountered a monumental budget crisis, the problem will continue to plague schoolboards for quite some time.

Winter Sports Week

1981's Winter Sports Week proved very eventful. On Monday the Club sponsored Teachers and Coaches Appreciation Day by presenting them with red hearts. Tuesday brought the First Annual WSHS Spelling Contest. Tony Prodzinski took top honors with Jenny Epps and Josh Baudhuin coming in second and third respectively. For Thursday it was buttons a-hoy with many people going all out and pinning themselves from head to toe with a various assortment of buttons. The Trivia Challenge also took place on Thursday. Here Mr. Smith took on all comers in a trivial meeting of minds. Friday topped off the week by showing the Valentine spirit with Red and White Day. All those at the dance Friday night saw Sharon Speltz and Dave Hanson crowned Sweetheart Queen and Snow King

GODSPELL

Godspell was the most successful musical ever presented at Winona Senior High. After playing to a full house for three nights, the Godspell crew gave a command performance on Sunday evening.

"Our prime endeavor in presenting *Godspell*," commented director Sassenburg, "was first to give students an added challenging learning experience in performing arts, and secondly to give our audiences an exciting look at the musical genre. We hope we accomplished both those objectives, but also that our participants and audiences will continue to attend and support the fine arts with the same vivacity they displayed during the production of this show."

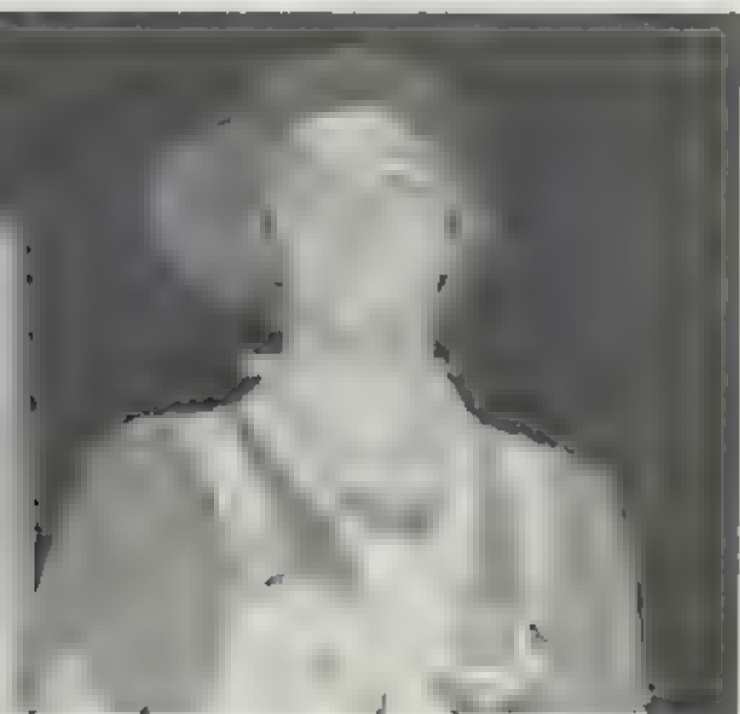

Along with director Gary Sassenburg were directors, Mr. Nichols, Bob Ouren, and Sue Haak. Everyone connected with Godspell grew together to become one close family.

In the Business Awards, **Terri Mueller** took first in Accounting Business Law. **Tony Prodzinski** took first in spelling, and second in Business Law. **Natalie Evans** took first in Typing 1, **Craig Sundberg** took third in Business Math, and **Gloria Huwald** took third in Advanced Typing

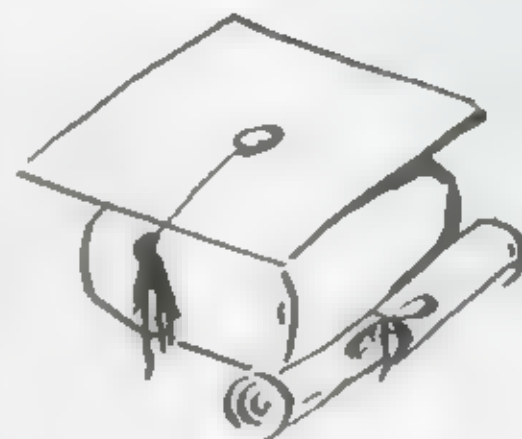

Artist, **Sean Marcotte**, was selected to show his work at the Minnesota Youth Art Month in St. Paul. **Kathy McMillan** was awarded the girls Scholastic Athlete Award.

In sports, two swimmers, **Marcus Gernes** and **Kelly Huff** went to State, Marcus in the 100 yard butterfly and Kelly in diving. In the spring, the Girls Golf Team of **Barb Ward**, **Patty Barker**, **Michelle Koplín**, and **Suzanne Brewer** placed fifth in the State Meet. In addition to this, **Barb Ward** placed tenth in the State Meet individually. In Track, **Rick Googins** placed fifth in the Discus, and in Girls Track, **Amy Duran**, **Frani Loftness**, **Lisa Janikowski**, and **Kristi Gunderson** took the Mile Relay team to State and placed fourth.

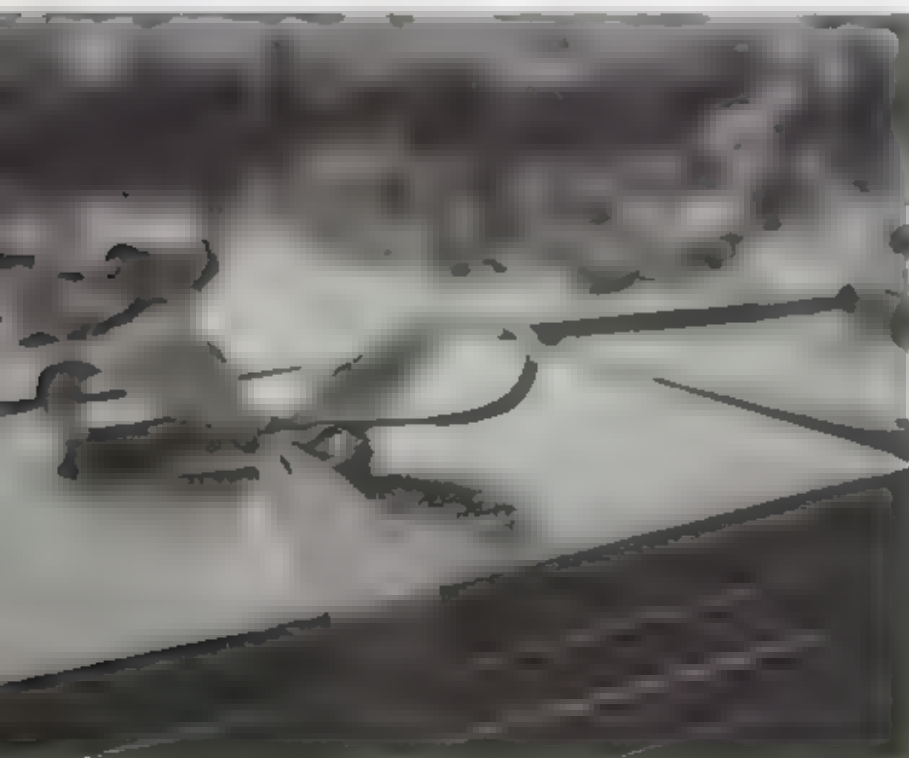

These are all of the outstanding achievements that were brought to our attention. Congratulations.

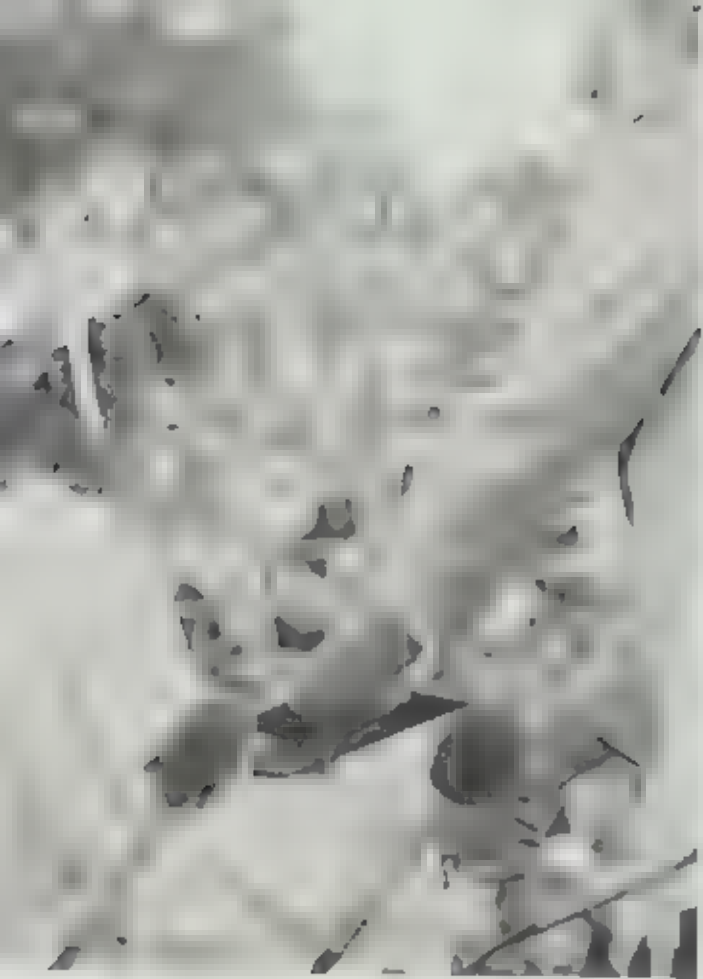

1981 Our Commencement

On June 5, 1981, during the One Hundred-eleventh Annual Commencement Exercises of Winona Senior High School, 441 students received their diplomas at Paul Giel Field. It was a beautiful evening, filled with emotion, for the seniors who were severing their ties with Winona Senior High

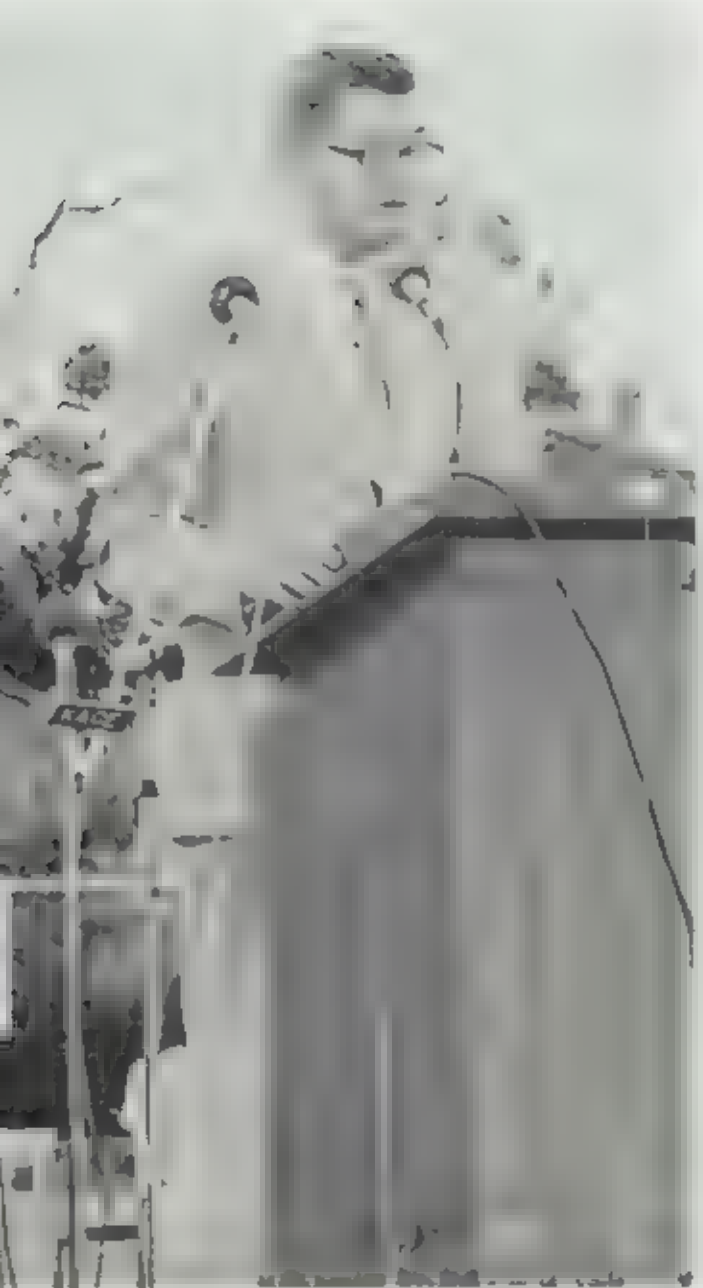

LEFT: The goal is realized. **MIDDLE RIGHT:** Assistant Superintendent, E. W. Mueller introduces the speakers. **LOWER LEFT:** Ok world, I'm ready to take you on. **LOWER RIGHT:** The Class of 1981

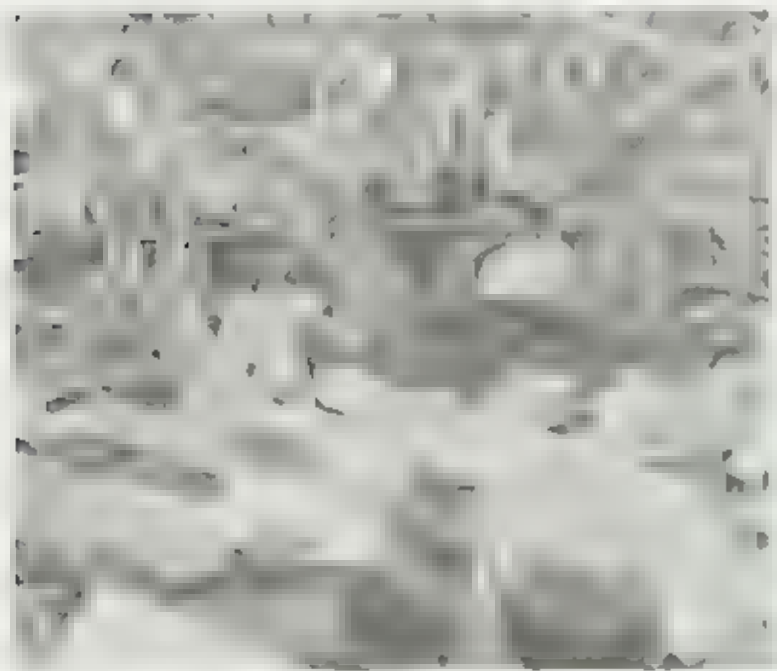

UPPER LEFT: The Class of 1981 dedicated their program to Board Chairman Frank Allen, who was leaving the Winona School Board after twenty years of service. **UPPER RIGHT:** Looks Like We Made It. **LOWER LEFT:** Principal W H Hitt presents the class

LOWER RIGHT: Graduation speakers departed from tradition and gave a four part group speech. Jim Benson- Better Luck Next Time, Marijo Reinhard- Another June, James Harrington- Where Do We Go From Here, and Nadya El-Alandi- Let's Get To The Applause

"I have a funny feeling that life isn't going to end when I get my diploma."

These Are the Best Times.
